

MICHAEL D. GREENBERG, J.D., PH.D.

valjean@zoominternet.net

(412) 683-2300 (x4648)

RAND Corporation, 201 North Craig Street, Pittsburgh, PA 15213

EDUCATION:

Harvard Law School, Cambridge, Massachusetts.

J.D. *cum laude*, June 1999.

Editor, *Harvard Journal of Law and Technology*.

Member & Contributing Writer, *Harvard Law & Healthcare Society*.

Duke University, Durham, North Carolina.

Ph.D. in Clinical Psychology, May 1996.

Preparing Future Faculty Fellowship Recipient, 1994-1995.

Duke University, Durham, North Carolina.

M.A. in Psychology, September 1994.

Cornell University, Ithaca, New York.

A.B. in Psychology, with Distinction in All Subjects, May 1991.

Phi Beta Kappa, *Phi Kappa Phi*, *Psi Chi*, and Golden Key National Honor Societies; Empire State Scholarship of Excellence.

PROFESSIONAL EXPERIENCE:

Director, RAND Center for Corporate Ethics & Governance

Pittsburgh, Pennsylvania October 2009 – Present

Senior Behavioral Scientist, RAND Corporation

Pittsburgh, Pennsylvania June 2011 -- Present

Policy researcher in the RAND Institute for Civil Justice, RAND Health, RAND ISE and Arroyo Center (Army) business units. Conduct empirical social science, policy analysis, and legal research in connection with projects related to healthcare, civil justice, and/or national security issues. Examples of studies led or co-led include: (1) an empirical investigation of the relationship between patient safety outcomes and malpractice claiming in Pennsylvania; (2) roundtable symposium meetings convened on the role of boards of directors, and of compliance officers, in compliance and ethics oversight within public companies; (3) an investigation into the relationship between fair value accounting practice and systemic risk to the U.S. economy; (4) an evaluation of risk and civil liability connected with maritime terrorism; (5) an assessment of the performance of, and policy challenges facing, the Pennsylvania workers' compensation

system; and (6) two studies on personnel stress and cyclical readiness in the Army Reserves and National Guard.

Responsibilities at RAND have included leadership in the design and execution of large research studies, and participation in all aspects of the research process, including qualitative and quantitative data collection and analyses, empirical literature reviews, examination of statutory and regulatory materials, and writing for internal and external publication.

Also serve as the Director for the RAND Center for Corporate Ethics and Governance. In this role, have primary management oversight in connection with the Center's slate of research projects and operating budget of ~\$700,000 annually. Responsibilities have included providing supervision for individual research projects; reviewing timelines and budgeting for Center projects and operations; organizing bi-annual meetings of the Center's advisory board; and leading business development activities for the Center. In a related capacity, also serve on the executive management team for the RAND Institute of Civil Justice, an operating division of the RAND Corporation with approximately \$5 million in revenue annually. Related responsibilities include contributing to all aspects of division oversight, including strategic planning, business development and client management, recruiting, and liaison work with RAND central management

Member, RAND Human Subjects Protection Committee
Pittsburgh, Pennsylvania June 2010 – Present

Serve as a member of RAND's Institutional Review Board (IRB), in screening and approving RAND research on human beings, based on ethical principles outlined in the Belmont Report and under procedures formalized by the federal Common Rule. Responsibilities include review of research protocols and materials submitted by RAND primary investigators; application of relevant federal standards and ethical principles to RAND projects, and analysis of related problems and challenges; and participation in IRB committee meetings and formal approval of RAND research projects under review.

Research Director, RAND Center for Corporate Ethics & Governance
Pittsburgh, Pennsylvania December 2006 – October 2009

Behavioral Scientist, RAND Corporation
Pittsburgh, Pennsylvania June 2005 – June 2011

Associate Behavioral Scientist, RAND Corporation
Pittsburgh, Pennsylvania August 2002 – June 2005
Santa Monica, California October 2001 – August 2002

Thomas Lord Distinguished Scholar, RAND Institute for Civil Justice
Pittsburgh, Pennsylvania Fiscal Year 2008

Received the Thomas Lord Distinguished Scholar award in 2008 from the RAND Institute for Civil Justice, based on work done within that unit over the preceding year. The award is given for excellence in research and institutional contributions, and provides 20 days of unrestricted research support to the recipient.

Pittsburgh Recruiting Chair, RAND Corporation
Pittsburgh, Pennsylvania August 2002 – August 2005

HIPAA Liaison (Human Subjects Protection Committee), RAND Corporation
Pittsburgh, Pennsylvania June 2003 – June 2006

Management responsibilities at RAND have also included administrative oversight for the researcher recruiting process in Pittsburgh, during the early years after the Pittsburgh office of the RAND Corporation was established. Also served as a HIPAA Liaison consultant in RAND's Pittsburgh office, providing initial contact and support to researchers on matters relating to federal privacy regulation.

Adjunct Professor, University of Pittsburgh School of Law
Pittsburgh, Pennsylvania 2004-2005 Academic Year – Present

Adjunct Assistant Professor, University of Pittsburgh School of Medicine
Pittsburgh, Pennsylvania December 2006 – Present

Serve as an adjunct faculty member at the law school of the University of Pittsburgh, designing and teaching a class in Food and Drug Law. Class is included as credit toward law school certificate programs in Health Law and in Technology Law.

Also serve as an adjunct faculty member in the Department of Psychiatry University of Pittsburgh School of Medicine, and at Western Psychiatric Institute and Clinic (WPIC). Responsibilities include collaboration with WPIC colleagues in developing research projects and opportunities of joint interest.

Adjunct Professor, Heinz College, Carnegie Mellon University
Pittsburgh, Pennsylvania Spring 2009 – Present

Serve as an adjunct faculty member at the school of public policy at Carnegie Mellon University. Teach a class in Health Law and Policy for the Masters in Medical Management program in the school of public policy and management, designed for mid-career physicians who are moving into executive roles within their organizations.

Center for Research on Health Care, University of Pittsburgh, Core Faculty Member
Pittsburgh, Pennsylvania January 2003 – Present

Center for Bioethics and Health Law, University of Pittsburgh, Affiliated Faculty Member
Pittsburgh, Pennsylvania July 2004 -- Present

Participate as a RAND representative in two multi-disciplinary, collaborative centers for health services research, and for bioethics and health law research, both based at the University of Pittsburgh.

Associate Attorney, Ropes & Gray
Boston, Massachusetts September 1999 – August 2001; Summer 1998

Associate attorney in the corporate and healthcare departments of Ropes & Gray. Responsibilities included research, writing, and negotiation in connection with a wide range of projects and transactions, including public company mergers & acquisitions, leveraged buy-outs, private equity investments, debt financings, licensing agreements, restricted stock transactions, derivative (repurchase and swap) contracts, and investment advisory agreements. Responsibilities also included regulatory and transactional work related to investment companies under the Investment Company Act of 1940 (“mutual funds”) and to publicly traded companies under the Securities Act of 1933 and the Securities Exchange Act of 1934.

Clinical Psychology Intern, Dartmouth Hitchcock Medical Center
Lebanon, New Hampshire June 1995 – June 1996

Worked full-time as a supervised clinical psychology intern in all domains of professional psychological practice. Conducted psychotherapy and psychiatric assessment with adult psychiatric inpatients and outpatients, implementing treatment plans for individuals with affective disorders, personality disorders, and substance-use disorders. Additional responsibilities included participation on a multi-disciplinary treatment team (which served to oversee and design all aspects of treatment for short-term psychiatric inpatients), and teaching/supervising medical students in psychological testing and psychotherapy.

Teaching & Research Assistant, Duke University & Duke University Med. Center (DUMC)
Durham, North Carolina September 1991 – September 1995

Worked as a teaching assistant, research assistant and clinician. Teaching responsibilities included teaching and serving as a teaching assistant for several graduate and undergraduate psychology and statistics classes. Research responsibilities included the collection and analysis of data on psychiatric patients, maintenance of a computer database, and writing for academic publication. Clinical

responsibilities included psychiatric interviewing and testing through the DUMC Cognitive Behavioral and Personality Diagnostic Laboratories, as well as serving as an individual psychotherapist for outpatients through the Duke Psychology Clinic.

PROFESSIONAL LICENSE AND AFFILIATIONS:

Admitted to the Bar, Commonwealth of Massachusetts, December 14, 1999
(BBO #643507).

Member, *American Bar Association* (1999-present).

Member, *American Psychological Association* (1996-present).

Greenberg, M. D. (March, 2007). *RC Personnel Readiness Under ARFORGEN*. Invited Conference Presentation, Senior Defense Analysts' Review Conference (hosted by the RAND Arroyo Center), Arlington, VA.

Greenberg, M. D. (July, 2006). *What are the Civil Liability Implications of Maritime Terrorist Attacks?* Invited Board Briefing, Center for Terrorism Risk Management Policy, Arlington, VA.

Greenberg, M. D. (September, 2005). *Privacy of Health Information: HIPAA and Beyond*. Symposium presentation at the 65th Annual Conference of the American Medical Writers Association, Pittsburgh, PA.

Neuhauser, F., Reville, R., Bhattacharya, J., Martin, C., & Greenberg, M. D. (October, 2002). *Measuring the Impact of Occupational Disability: Psychiatric and Chronic Impairments*. Symposium presentation at the Annual Meeting of the Workers' Compensation Research Group, Cambridge, MA.

Greenberg, M. D. (November, 1995). *Effects of Comorbid Axis-II Pathology on Outcome of Inpatient Treatment for Unipolar Depression*. Symposium presentation at the 29th Annual Meeting of the Association for the Advancement of Behavior Therapy, Washington, DC.

Greenberg, M. D. (August, 1993). *Issues in the Integration of Science and Practice in the Treatment of Depression*. Invited panel participant at the 101st Annual Meeting of the American Psychological Association, Toronto, Canada.

Hamilton, J. C., Rooks, S. L., Maloney, K. F., & Greenberg M. D. (November, 1990). *Preliminary Support for a Self-Awareness Reduction Model of Non-Nutritive Eating*. Paper presented to the 24th Annual Meeting of the Association for the Advancement of Behavior Therapy, San Francisco, CA.

SELECTED PROJECT LEADERSHIP EXPERIENCES AND FUNDING:

- Project Title:** Systemic Risk and Fair Value Accounting
Project Role: Primary Investigator
Dates: July 2010 – January 2012
Funder: Goldman Global Markets Institute
Amount: \$525,000
- Project Title:** Evaluation of AHRQ Patient Safety and Medical Liability Portfolio
Project Role: Co-Primary Investigator, RAND subcontract
Dates: January 2010 – January 2014
Funder: U.S. Agency for Healthcare Research and Quality
Amount: \$860,000
- Project Title:** Corporate Ethics and Governance Market Research
Project Role: Primary Investigator
Dates: October 2008 – October 2009
Funder: RAND Center for Corporate Ethics and Governance
Amount: \$125,700
- Project Title:** Patient Safety and Medical Malpractice in California
Project Role: Primary Investigator
Dates: October 2007 – May 2010
Funder: Consortium of private-sector and non-profit funders (including The Doctors' Company, CAP-MPT, Californians' Allied for Patient Protection, and the California Hospital Association)
Amount: \$325,000
- Project Title:** RC Unit Manning Strategy and Force Retention
Project Role: Primary Investigator
Dates: October 2006 – September 2007
Funder: Arroyo Center FFRDC (U.S. Army)
Amount: \$450,000
- Project Title:** Issues and Options in Pennsylvania Workers' Compensation
Project Role: Primary Investigator
Dates: August 2006 – May 2007
Funder: Pennsylvania Department of Labor & Industry
Amount: \$198,200
- Project Title:** Access to Reserve Component Soldiers for Deployment
Project Role: Co-Primary Investigator
Dates: October 2005 – September 2006
Funder: Arroyo Center FFRDC (U.S. Army)
Amount: \$389,900

Project Title: Maritime Terrorism: Risk and Liability
Project Role: Primary Investigator
Dates: February 2005 – September 2006
Funder: Center for Terrorism Risk Management Policy
Amount: \$295,700

Project Title: Medical Malpractice “Reform” and Access to Justice
Project Role: Co-Primary Investigator
Dates: October 2004 – September 2006
Funder: Institute for Civil Justice
Amount: \$259,500
