## **Federal In-House R&D Activities by Agency**

---

The following table is an agency-by-agency listing of where federal R&D funds are being spent in house.

Federal Agency	Bureau Within Federal Agency	Federal R&D Unit	State	City
		(Note: Only those federal units where federal R&D funds are actually being spent in-house (i.e., on-site) are listed. This means that the headquarters units of some federal agencies and bureaus are not included in the list as the activities taking place at these locations have been deemed by the respective federal agencies and/or bureaus to NOT be R&D and have not been so reported to OMB. These activities are, therefore, not part of the official federal R&D budget.)

Federal Agency	Bureau Within Federal Agency	Federal R&D Unit	State	City
		(Note: Only those federal units where federal R&D funds are actually being spent in-house (i.e., on-site) are listed. This means that the headquarters units of some federal agencies and bureaus are not included in the list as the activities taking place at these locations have been deemed by the respective federal agencies and/or bureaus to NOT be R&D and have not been so reported to OMB. These activities are, therefore, not part of the official federal R&D budget.)
