2.1 Annualized Cost of Leaving by Leaving Age ................................. 9
2.2 Example of ACOL at Different Separation Decision Ages, Entry Age = 20 .................................................. 11
2.3 Example of Maximized ACOL and Value of Nonmonetary and Random Factors, Entry Age = 20 .................. 12
2.4 Assumed Real Pay Profile .................................................. 13
3.1a Annualized Cost of Leaving Under Both Systems, Entry Age = 20 ..... 16
3.1b Annualized Cost of Leaving Under Both Systems, Entry Age = 40 .... 16
3.2 ACOL When Entry Age = 20 for CSRS and Entry Age = 40 for FERS .................................................. 19
3.3a ACOL When Entry Age = 20, Under Both Systems ..................... 20
3.3b Penalty from Deviating from Optimal Horizon When Entry Age = 20 .................................................. 20
3.4 Maximum Expected ACOL by Decision Age When Entry Age = 20 .................................................. 21
3.5 Maximum Expected ACOL by Decision Age When Entry Age = 40 .................................................. 21
3.6 Maximum Expected ACOL by Decision Age for FERS Without the Basic Plan When Entry Age = 20 .......................... 23
3.7 ACOL When Entry Age = 20 and Switch Age = 25 ..................... 24
3.8 ACOL When Entry Age = 20 and Switch Age = 40 ..................... 25
4.1 Size of Annual Inventories Before and After Exclusions .................. 31
4.2 Fraction of DoD Civil Service Personnel Under CSRS, FERS, and CSRS-Interim/Offset ........................................... 33
4.3 Age Distribution for Both Systems, All Years ............................ 33
4.4 YOS Distribution for Both Systems, All Years .......................... 34
4.5 Age Distribution for Both Systems, FY96 ................................. 34
4.6 YOS Distribution for Both Systems, FY96 ................................. 35
4.7 Mean Separation Rates by Year for Both Systems ......................... 36
4.8 Mean Retirement Rates by Year for Both Systems ......................... 36
4.9 Mean Separation Rates by Age for Both Systems, FY96 ................ 37
4.10 Separation Rates by Age When YOS ≤ 12 ............................... 40
4.11 Separation Rates by Age When YOS ≥ 31 ............................... 41
5.1 Estimated Separation Rates by Age Category Under Each System .......... 44
