## WORK EXPERIENCE

2009-present

**Senior Research Leader and Office Director**

RAND Europe, Rue de la Loi 82, B-1040, Brussels

- Responsible for overseeing RAND Europe's research portfolio with EU institutions and for coordinating RAND's approach to EU framework contracts
- Responsible for business development with EU and other Brussels-based institutions, including EU procurement; maintaining client and partner relationships
- Designing, leading and contributing to policy studies, often involving a combination of qualitative and quantitative methodologies

**Business or sector** Research institution

2011 - 2014

**Faculty Member**

RAND Pardee Graduate School, Santa Monica, CA, United States

- Supervising PhD candidates

**Business or sector** Education

2005 - 2009

**Senior Analyst**

RAND Europe, Westbrook Centre, Cambridge, CB4 1YG, United Kingdom

- Designing and contributing to policy studies and evaluation in security, technology, health and social domains.
- Managing and leading policy studies, client coordination, and dissemination

**Business or sector** Research institution

Jun 2007- Oct 2007

**Research fellow**

RAND Corporation, Santa Monica, CA, United States

- Research fellowship at RAND Labor and Population

**Business or sector** Research institution

2002- 2005

**(Associate) Analyst**

RAND Europe, Leiden, The Netherlands

- See above

**Business or sector** Research institution

2001-2002

**Researcher**

Delft University of Technology, Faculty of Technology, Policy and Management. The Netherlands

- Research, grant applications and publication on policy analysis and integrated water management.

**Business or sector** University

- March-Oct 2001 **Research associate**  
Netherlands Organisation for Applied Scientific Research - TNO, Delft, The Netherlands
- Groundwater modelling
- Business or sector** Research Institution
- March-June 2000 **Teaching Assistant**  
Delft University of Technology, Faculty of Technology, Policy and Management. The Netherlands
- Development of a quantitative model and supervision at practical education for a course on Industrial Systems, Energy and Environment
- Business or sector** University
- Aug- Nov 1999 **Trainee**  
SSSUK, Dhaka, Bangladesh
- Research at NGO in Bangladesh, focusing on conditions for local participation towards successful implementation of mitigation measures in the context of arsenic groundwater contamination in Bangladesh
- Business or sector** NGO

## EDUCATION AND TRAINING

- 2002- present **Various professional courses**  
Various professional course providers
- Numerous of professional courses on leadership, project management, business development, technical skills, research methodologies, media training, etc.
- Oct2005 **Post-graduate course**  
Leiden University, Centre for Science and Technology (CWTS), Netherlands
- Measuring science – bibliometric analysis
- Aug- Jan 2001 **Graduate Exchange Program**  
Indiana University, School of Public and Environmental Affairs, United States
- Non-degree exchange programme
- 1996-2001 **BSc; MSc**  
Delft University of Technology, The Netherlands: School of Systems Engineering, Policy Analysis and Management
- Specialisation: Policy Analysis
  - Thesis: "Strategic knowledge development at the National Geological Survey – Matching information demand and supply"

## LANGUAGE SKILLS

Mother tongue Dutch

Other languages

	UNDERSTANDING		SPEAKING		WRITING

Common European Framework of Reference for Languages

## OTHER EXPERIENCE

- RAND Quality Assurance reviewer responsibilities for over 60 publications
- Chair of the Scientific Steering committee for evaluation of municipality of The Hague's approach to preventing and countering violent extremism
- Member of the Scientific Steering committees for evaluations on behalf of the Netherlands Ministry of Security and Justice on: Evaluatie invoering B&I criterium (2013-2014), Aangescherpt coffeeshopbeleid (2015), Monitoring coffeeshopbeleid (2016), Monitoring coffeeshopbeleid (2017), Monitoring coffeeshopbeleid (2018); and invoering I-criterium in Sittard-Geleen (2016-2017).
- Invited to advise the Government Advisory Committee Experiment Regulated Cannabis Production (*Adviescommissie Experiment Gesloten Coffeeshopketen*), April 2018
- Member of Expert panel advising Netherlands Ministry of Social Affairs and Employment on Foreign Funding to Islamic organisations in the Netherlands
- Peer Reviewer for academic journals, including Value in Health, Human Reproduction, European Journal of Population, Health Economics
- Media interviews and commentary for print, online, radio and tv media (inc. BBC, Bloomberg, Reuters, France24, CNN, Guardian, ARD, NRC, Volkskrant, WSJ)
- Testified for Dutch parliament on foreign financing of Islamic institutions in the Netherlands (20 May 2015) and on policy evaluation (2006)
- Numerous briefings, lectures and presentations to policy, professional and academic audiences

## ANNEX

## Examples of project experience

**DRUGS and ILLICIT MARKETS**

Evaluation and monitoring of the experiment with a closed coffeeshop supply chain for legal cannabis production in the Netherlands (2020-2025) Netherlands Ministry of Justice and Security [*RAND Europe project leader and member of the consortium project management team*]

Identification of a method to measure illicit tobacco trade (2018-2020) OLAF [*Project leader*]

Mapping the risk of serious and organised crime infiltration in legitimate businesses (2020-2021) DG HOME [*QA reviewer*]

Interim evaluation of the EU Drugs Strategy 2013—2020 (2016) DG HOME [*Project leader*]

Analysing the size and scope of Internet-facilitated drug trade (2015-2016) Netherlands Ministry of security and Justice [*Project leader*]

Analysing the size and scope of Internet-facilitated drug trade (2015-2016) Netherlands Ministry of security and Justice [*Project leader*]

Developing a method to measure the size of markets for counterfeits and piracy in the internal market (2011-12) DG MARKT [*Project leader*]

Measuring global illicit drugs markets (2009; 2013) DG JUST [*Project manager*]

A multi-national review of cannabis production regimes (2014) Netherlands Ministry of security and Justice [*Quality Assurance*]

Developing indicators to measure illicit drug markets, supply-reduction efforts, and drug-related crime in the EU (2011) DG JUST [*Co-project leader*]

Evaluation of the of the EU Drugs Strategy 2005—2012 (2012-13) DG JUST [*Co-project leader*]

Assessing Changes in Global Drug Problems, 1998-2007 (2009) European Commission, DG JUST [*RAND Project manager*]

International review of cannabis policy, implementation and outcomes (2004) NL Ministry of Health, Wellbeing and Sports [*Contributor*]

**SECURITY and RADICALISATION**

Evaluation of the municipal funds for tackling radicalisation in the Netherlands (2021-2022) National Coordinator Counterterrorism and Security [*Project leader*]

Development of a policy plan for crisis management at the Ministry of Infrastructure and Water Systems in the Netherlands (2021) Ministry of Infrastructure and Water Systems [*Project Leader*]

Developing a methodology for the evaluation of the EU policy for the prevention of radicalisation (2020-2021) DG HOME [*Senior Advisor*]

Evaluation of CEPOL (2021) DG HOME [*Quality Assurance reviewer*]

Policy options for preventing and mitigating vehicle-based terrorism (2020-2021) DG HOME [*Quality Assurance*]

Estimating the size and scope of foreign funding to religious institutions in the Netherlands (2019-2020) Ministry of Foreign Affairs [*Project Leader*]

The relation between the economy and national security (2019) National Coordinator Counterterrorism and Security [*Project Leader*]

Counterterrorism evaluation – Taking stock and looking ahead (2018) National Coordinator Counterterrorism and Security [*Project Leader*]

Scoping the feasibility of a digital embassy in the Netherlands to protect national data infrastructures (2018) Large municipality in the Netherlands [*Contributor*]

IMPACT Europe - evaluation framework and toolkit for radicalisation factors, counter violent radicalisation interventions (2012-2017) European Commission [*Quality Assurance Reviewer*]

The costs of reintroducing border controls in the Schengen zone (2016) European Parliament [*Contributor*]

Analysing the trade of weapons on the dark web (2017) UK Partnership for Conflict, Crime and Security Research (PaCCS), ESRC [*Quality Assurance Reviewer*]

Feasibility study of estimating the size and scope of foreign funding of Islamic institutions in the Netherlands (2015) National

Coordinator Counterterrorism and Security [*Project leader*]

Inventory of methods to deal with ethics in counterterrorism (2014) National Coordinator Counterterrorism and Security [*Project leader*]

Assessment of the validity of the Dutch National Risk Assessment (2012) Netherlands Ministry of Safety and Justice [*Contributor*]

International comparison of protection and surveillance measures (2009) National Coordinator Counterterrorism and Security [*Contributor*]

### EMERGING TECHNOLOGIES

Tackling Truth Decay: Analysis of the eroding role of facts and evidence in the public debate in Europe (2019-2020) Internally funded. [*Project Leader*]

The challenges associates with algorithm-based online media and platforms (2018) European Commission, DG CONNECT [*Project Leader*]

Digital Transformation in Governments (2019-2020) Joint Research Centre [*Contributor*]

The impact of game-changing technologies on the European services sector (2018) Eurofound [*Project leader*]

The costs, risks and challenges associated with remote voting solutions (2018) European Commission, DG JUST [*Quality Assurance reviewer*]

Europe's policy options for a dynamic and trustworthy development of the Internet of Things (2014) DG CNECT [*Quality Assurance reviewer*]

Ex ante impact assessment of the competitiveness and socio-economic contributions of the future EU Internet industry (2010-2012) DG CNECT [*Project leader, 1,000,000*]

Future of the internet (2007) Netherlands Ministry of Economic Affairs [*Contributor*]

Embedding digital repositories in research universities (2009) Universities of London [*Project leader, £50,000*]

Data mashing for UK government (2007) Cabinet Office [*Project manager*]

Future impacts of ICTs (2006) Deutsche Telekom [*Contributor*]

The impact of Information Society Projects – JANUS (2004) DG INFSO [*Contributor*]

### PUBLIC HEALTH and HEALTH RESEARCH

Using big data to model Covid-19 transmission (2020) RAND Internal Research [*Contributor*]

Modelling productivity and macro-economic impacts of malaria vaccination (2011-13), Pharmaceutical company [*Project leader*]

Quality Assurance for various bibliometric analyses assisting the allocation of research funding. E.g. Collaborations for Leadership in Applied Health Research and Care (NIHR), DH Faculty, Meta-analysis of bibliometrics studies, Alternatives to Peer Review, Evaluation of Socioeconomic Benefits from Research (Department of Health)

Impact assessment of specific measures aimed at increasing transparency and engagement in EFSA Risk Assessment process (2016) European Food Safety Authority (*Quality Assurance*)

Evaluation of the EU/HIV Action Plan (2013-14) DG SANCO [*Quality Assurance reviewer*]

Bibliometric analysis to support the procurement of NIHR Biomedical Research Centres (2007) Department of Health [*Project leader, £60,000*]

Enabling long-term access to scientific, technical and medical data collections (2010) British Library [*Project leader*]

Analysis of the citation benchmark methodology for the 2010 the Excellence in Research for Australia (ERA) initiative (2010) Australian Research Council [*Project Manager*]

Analysing grand challenges to be addressed in the successor of Horizon 2020 (2015) European Commission DG RTD [*Quality Assurance reviewer*]

Scoping the impact of Brexit EU on UK health research (2014) Department of Health [*Quality Assurance reviewer*]

Identifying DG SANCO's Future Challenges: scenario planning (2007) DG SANCO [*Contributor*]

Options for Future MRC Unit Reviews (2005) Medical Research Council [*Contributor*]

International comparison of Health R&D Systems (2005) Department of Health [*Contributor*]

#### **FORESIGHT and FUTURES RESEARCH:**

Exploring Digital Government Transformation in the EU: understanding public sector innovation in a data-driven society (2019-2020) European Commission, Joint Research Centre [*Contributor*]

Horizon scanning, expert consultation and qualitative desk research to assess the future impact of game-changing technologies on employment and work in the services sector. (2017-2018) [*Project leader*] (Eurofound)

Online Delphi consultation of climate change, energy and sectoral experts in transport, agriculture and built environment on tipping points towards reaching the targets in the Paris COP21 agreement. (2017-2018) [*Project leader*] (European Climate Foundation)

Provision of data analysis & intelligence on skills and labour markets in the EU (2015-18) CEDEFOP [*Project manager for RAND Europe*]

Foresight study of Europe's Societal Challenges (2013) European Commission, Council of the EU and European Parliament (ESPAS) [*Project leader*]

Analysing grand challenges to be addressed in the successor of Horizon 2020 (2015) European Commission DG RTD [*Quality Assurance reviewer*]

Update of the SIGMA Scan for the Horizon Scanning Centre (2010) UK Department for Business Innovation and Skills [*Project leader*]

The future employment and social agenda in the Europe 2020 strategy (2008-2009), DG EMPL [*Co-project leader*]

Embedding foresight and scenario planning in government decision-making (2008) European Environment Agency [*Contributor*]

Driver analysis and scenario planning for the future of scholarly communication in science, technology and medicine (2007) Netherlands Royal Library [*Project leader*]

Scenarios for the future of the Dutch pension system (2006) ABP [*Contributor*]

Driver analysis and scenario planning for the future of the German Middle Class (2006) Herbert Quandt Stiftung [*Contributor*]

#### **Other IMPACT ASSESSMENT and EVALUATION**

Estimating the trade effects of removing remaining barriers in the single market (2014) European Parliament [*Project Leader, budget*]

Evaluation of the Dutch Cyber Defence Strategy (2017) Netherlands Ministry of Defence [*Quality Assurance Reviewer*]

Monitoring, evaluating and facilitating learning for pilot projects in social finance and entrepreneurship (2014) DG EMPL [*Contributor*]

Review of performance audit reports by National Court of Auditors (2006) NL Court of Auditors [*Project leader*].

Setting-up an Evaluation, strategic planning and analysis department (2007) Qatar Higher Education Council [*Contributor*]

Meta-analysis of policy evaluation studies in the Dutch national government (2005) RAND internal funding [*Contributor*]

Evaluation of impacts of Information Society projects funded under FP5 and FP6 (2003) DG INFSO [*Contributor*]

#### **Other QUANTITATIVE MODELLING STUDIES**

The impact of COVID-19 on small and medium enterprises in the Turkey and the Middle East (2020) SPARK [*Project leader*]

Developing a method for nowcasting and geospatial visualisation of migrations stocks in Europe and the United States (2019-2021) RAND Internally Funded Research [*Project leader*]

Estimating migration stocks and flows through bayesian modelling of big data from social media (2017-2019) DG EMPL [*Project leader*]

Quantitative analysis of trends in gender equality in the European workforce (2012-13) European Commission DG JUST [*Project leader*]

The demographic impact of reproductive ageing and infertility (2006-2010) Ferring Pharmaceuticals (Project Leader, budget)

The demographic impact of reproductive ageing and infertility (2006-2010) Pharmaceutical company [Project Leader]

Generational accounting of infertility and assisted reproduction (2007-08) RAND internally funded study [Project Leader]
