Principal Investigator. *The Recognition and Referral of Mental Disorders within Religious Congregations*. 2011-2015. National Institute of Mental Health.

Investigator (A. Burnam, PI). *Evaluation of California Mental Health Prevention and Early Intervention Initiatives*. 2011-2015. California Mental Health Services Authority.

Principal Investigator. *Enhancing the Role of Black Churches in Addressing Substance Use*. 2010-2013. National Institute of Minority Health and Health Disparities.

Investigator (Lim/Marquis, PIs). *Developing a Common DoD Framework for Prevention and Modification of Problematic Behaviors Among Military Personnel*. 2014-2015. Office of Secretary of Defense.

Investigator (C. Farmer, PI). *Innovative Practices for Supporting Psychological Health and Traumatic Brain Injury*. 2009-2013. Defense Centers of Excellence for Psychological Health and Traumatic Brain Injury.

Investigator (T. Schell, PI). *Longitudinal Study of PTSD, TBI, and Functional Impairment among OEF/OIF Veterans*. 2010-2012. National Institute of Mental Health.

Investigator (G. Marshall, PI). *The Mental Health and Well-Being of Adolescent Children of Cambodian Refugees*. 2009-2013. National Institute of Mental Health.

Investigator (L. Meredith, PI). *Improving PTSD Management in Primary Care*. 2009-2015. National Institute of Mental Health.

Investigator (G. Marshall, PI). *Cambodia Trauma Survivors: Prevalence & Consequences*. 2000-2013. National Institute of Mental Health.

Investigator (B. Springgate, PI). *REACH-NOLA Program for Hurricane Recovery*. 2008-2009. American Red Cross.

Principal Investigator. *Mental Health Outcomes Among New U.S. Immigrants*. 2007-2008. Robert Wood Johnson Foundation.

Investigator (G. Marshall, PI). *Targeted Psychoeducation for At-Risk Trauma Survivors*. 2005-2010. National Institute of Mental Health.

Investigator (B. Chung, PI). *Embracing the Spirit of Community Wellness*. 2006-2008. The California Endowment.

Investigator (G. Marshall, PI). *Alcohol Use and Abuse Following Traumatic Injury*. 2003-2008. National Institute of Alcohol Abuse and Alcoholism.

Investigator (G. Marshall, PI). *Reducing violence-related oral health disparities*. 2004-2006. National Institute of Dental and Craniofacial Research.

Investigator (G. Marshall, PI). *Mental Health Consequences of Violent Victimization*. 1997-2008. National Institute of Mental Health.

CLINICAL EXPERIENCE

New York State Office of Alcoholism and Substance Abuse Services

Consultant, New York, New York, September 2007

Provided adaptations and training in harm reduction interventions for Asian American populations.

Venice Family Clinic

Clinician, Los Angeles, California, July 2005-April 2006

Provided evidence-based psychotherapy to uninsured, low-income, ethnically diverse clients for the treatment of substance abuse/dependence, depression, anxiety and borderline personality disorders.

King County Correctional Facility

Psychology Resident, Seattle, Washington, January 2003-July 2003

Conducted suicidal assessments, motivational interviewing, dialectical behavior therapy, and anger management with culturally diverse mentally-ill inmates. Led a cognitive-behavioral based group intervention for female inmates with co-morbid disorders (PTSD and substance abuse).

Harborview Medical Center Mental Health Services

Psychology Resident, Seattle, Washington, July 2002-December 2002

Provided evidence-based, individual and group, outpatient treatment to ethnically diverse low-income adults in a public mental health managed care setting. Delivered cognitive behavior, dialectical behavior, and motivational enhancement therapy to clients with severe and persistent mental illness, as well as dually-diagnosed disorders, in collaboration with a multidisciplinary treatment team.

Ray E. Hosford Counseling Clinic

Psychotherapist, University of California, Santa Barbara

January 1998-June 2002

Conducted Dialectical Behavior Therapy for the treatment of Borderline Personality Disorder. Provided Prescriptive Psychotherapy (Systematic Treatment Selection) and Cognitive Therapy in the treatment of depression, anxiety, and relational problems.
