

PEOPLE MOVE FOR PROFESSIONAL REASONS, BUT THEY STAY IN OR RETURN TO THE UK FOR A MIX OF PERSONAL AND PROFESSIONAL REASONS

Career development is the most commonly cited reason for mobility to the UK and long-term mobility overseas

Shorter term moves are to **work with particular people and/or on particular topics**, and these reasons also matter to those moving for longer periods

Family and personal reasons are the top two drivers of non-mobility, followed by career development

For those returning to the UK, **career development** is the most frequently selected driver, followed by family and personal reasons
