TABLES

2.1. Nonprior-Service Personnel with Active-Duty Training in Their PMOS by Years of Reserve Service .......... 10
2.2. Prior-Service Personnel with Active-Duty Training in Their PMOS by Years of Reserve Service .......... 10
2.3. Predicted Duty Qualification Percentage by Years of Reserve Service ................................. 16
2.4. Percentage of Reservists Who Have Served in More than One Unit by Years of Reserve Service ........ 17
2.5. Unit Change and Predicted Duty Qualification Percentage by Years of Reserve Service ............... 18
2.6. Differences in FY86 Duty Qualification Percentages by Individual Characteristics ..................... 18
2.7. Differences in FY86 Duty Qualification Percentages by Unit Characteristics .......................... 19
3.1. Percentage Changing Units Between June 1986 and September 1987 ................................. 33
3.2. Percentage of Reservists Changing Units Between June 1986 and September 1987 .................... 34
3.3. Reservists' Choice of Units Within Given Distance from Home ........................................... 35
3.4. Job Turbulence and Unit Transfer Patterns Between June 1986 and September 1987 .................... 37
3.5. Differences in DMOS Change Percentages During 15-Month Interval by Individual Characteristics .... 39
3.6. Predicted Percentage Changing DMOS During 15-Month Interval by Years of Reserve Service ....... 41
3.7. Differences in DMOS Change Percentages During 15-Month Interval by Unit Characteristics .......... 42
4.1. Longitudinal Changes in Skill Qualification for the 1986 Reserve Components Survey ............. 45
4.2. MOS Qualification Rate in September 1987 for Individuals Changing Jobs and Units ............. 46
4.3. Differences in Requalification Percentages for Reservists Changing Duty Assignments ............. 48
4.4. Differences in FY87 Qualification Percentages for Reservists Who Were Unqualified in FY 86 and Did Not Change Duty Assignments During 15-Month Interval 52
5.1. Training Status Groups for the Army National Guard and Reserve ......................................... 55
5.2. Percentage of Reservists Reassigned in 15-Month Interval Who Completed Training by September 1987 56
A.1. Definitions of Regression Variables ..................... 76
A.2. Logistic Regression Results for FY86 Duty Qualification in the Army National Guard and Army Reserve ............. 78
A.3. Logistic Regression Results for Duty Occupation Change During 15-Month Interval in FY86 Through FY87 in the Army National Guard and Army Reserve 80
A.4. Logistic Regression Results for FY87 Duty Qualification of Job Changers During 15-Month Interval in FY86 Through FY87 in the Army National Guard and Army Reserve 83
A.5. Logistic Regression Results for FY87 Duty Qualification of Qualified FY86 Reservists Not Changing Jobs in 15-Month Interval in the Army National Guard and Army Reserve 85
