2.1. Results of Algorithm Analysis .......................... 8
2.2. Organizational Composition of a JDAL Based on Algorithm 2 .......................... 12
2.3. Number of Positions by Organization Including Grade O-3 ................................ 15
2.4. In-Service Positions Added to JDAL by Service ...... 16
3.1. Navy JSOs/JSO Eligibles .............................. 25
3.2. Army JSOs/JSO Eligibles .............................. 25
3.3. Air Force JSOs/JSO Eligibles ....................... 26
3.4. Marine Corps JSOs/JSO Eligibles .................. 26
3.5. Maximum Supportable JDAL Given Current Law and Policy ................................ 28
4.1. Effect of Law/Policy Changes on Size of Supportable JDAL ................................ 39
